## **DHS Responses to Open Records Requests in May 2012**

The DHS responds to numerous requests for public records. Requests for confidential records by people who are permitted by law to receive them are not listed here.

- On May 9 the department responded to an April 30 request from Des Moines Register reporter Clark Kauffman. Clark wanted to see the information regarding a record check of an employee of the provider agency A New Beginning. Parts of the information were not public. A redacted 16-page fax was sent to Clark. There was no fee.
